Dear Fellow Citizen,

Edwardsville Unity is excited to welcome back Unity Fest 2026—a vibrant celebration of community, culture, and connection. Rooted in this year's theme, "OpportUNITY for All," the festival invites us to reflect on how we can create pathways where everyone has the opportunity to learn, grow, and contribute meaningfully to our community.

Unity Fest 2026 will feature a dynamic main stage with inspiring speakers, culturally diverse performances, and interfaith prayers representing a wide range of traditions. Each element of the program is designed to spark thoughtful conversation and encourage action around equity, access, and shared responsibility.

Guests can enjoy family-friendly activities, interactive art installations, and engaging educational experiences tailored for all ages. These offerings aim to deepen understanding of diversity and inclusion while empowering attendees to recognize their role in building a more equitable future.

Throughout the park, community organizations will host booths offering resources, information, and hands-on activities. In alignment with Edwardsville Unity's commitment to inclusivity, the festival remains a non-commercial event. Complimentary food and non-alcoholic beverages will be provided by local minority-owned businesses, made possible through the support of generous sponsors.

Since 2017, Edwardsville Unity—a registered 501(c)(3) nonprofit—has worked to strengthen community through education, collaboration, and outreach. Over the years, Unity Fest has grown into a beloved annual tradition and a powerful reflection of the strength found in diversity.

The deadline to apply for a booth is September 1, 2026. For more information, please contact us or visit EdwardsvilleUnity.com.
